Carter Slide Mug

Wherever you go, great coffee follows.

Designed for the daily hustle, Carter Slide Mug keeps every sip secure and seamless with a slide lid that flicks open effortlessly and locks tight. Ceramic coating preserves flavor, while double-wall insulation keeps drinks hot (or cold) through commutes, coffee breaks, and unexpected detours.

BACK AND
BETTER THAN EVER
Reengineered for
durability and
a smoother, more
seamless slide.

**One-Handed
Slide Lid**

A uniquely angled lid opens with a flick of your thumb for effortless, one-handed sipping and locks shut for spill-proof security.

**True Taste
Ceramic Coating**

Unlike stainless steel, the ceramic interior keeps your coffee free of odors, oils, and "old penny" tasting notes.

**Heat-Lock
Double Wall Vacuum**

Insulated stainless steel keeps drinks hot for 6 hours and cold for 6 hours.

**Cup Holder
Compatible**

The slim width fits seamlessly into car cup holders, so you can sip on the go without the hassle.
